

DANSK VALG

Cheese Selection

Denmark has mastered the art of cheese making, delivering the finest quality products worldwide. Dansk Valg ranges a selection of traditional Danish cheese, from the creamiest white cheese to the intense blue-veined.

Danish Blue Cheese

Danablu is a semi-soft, blue-veined cheese with a sharp, salty flavour. Crumble over a salad, serve with fruit or make your own signature blue cheese sauce.

Danish White Cheese

This feta-style cheese is made from cow's milk, making it smoother and creamier than its traditional counterpart. Dansk Valg Danish White Cheese holds its shape with little crumbling when sliced. It's perfect in salads or as an ingredient in baking.
